J.S.D. TORY WRITING AWARD

The law firm of Tory Tory DesLauriers & Binnington will offer \$1,000 annually to The University of Manitoba to be allocated to one or more full-time students in any year of the LL.B. programme who have demonstrated outstanding research and writing ability and whose written work is of publishable or potentially publishable quality. Applicants will be asked to submit either a research plan or a paper in progress. Recipients of this award would be expected to use the funds to cover research and living costs to enable them to do whatever additional research and writing is necessary to enhance the prospect of publication of their written work in a reputable Canadian law journal, under the supervision of a faculty member. The selection committee shall be named by the Dean of the Faculty of Law.
